Obstacle: Riders competing on Sunday in Obstacle may NOT enter Saturday Obstacle.
Saturday classes will close and be placed at the end of the day's competition.
Open Dressage Classes: CALNET is offering Open dressage schooling classes to all who are interested. They will begin late Sunday morning and continue as needed. All instructors, volunteers and the public may enter open USDF/USA Equestrian classes at \$25/test. (Disabled riders may enter these classes for free.)
- Sponsorships:** Sponsorship flyers are available to help you raise money for your participation in the show. This should be especially helpful for individual riders, volunteers and programs that do not have their non-profit status. All money you raise this way will be credited directly to your fees due for the show.

Checklist for a Complete Entry Package

- Due by April 29:**
- Athlete Entry Forms
 - Summary Entry Form

CALNET SHOW RULES AND GUIDELINES

*Compiled by the Competition Association of the North American Riding for the Handicapped Association from Rules used by CAN, CALNET, ACORD, ASPIRE and USCPAA
Refer to the Entire Body of 1999 U.S. National Rules for greater detail*

The Horse Show Committee is composed of the Show Managers. If deemed appropriate by the Show Committee violations of show rules may result in suspension from the current show and/or future shows. The Horse Show Committee will consider requests for reinstatement from any individual or program which provides evidence of compliance with show standards. The Horse Show Committee will have the discretion to exclude riders, coaches, volunteers, horse or programs based on the following criteria:

- A. Abuse of Horses
- B. Unauthorized Use of Horses.
- C. Violation of NARHA Program Safety Guidelines and CALNET Show Rules including but not limited to:
 - i) Failure to wear an ASTM-SEI protective headgear that is approved for horseback riding while mounted or driving; lightweight helmets not approved must meet NARHA lightweight helmet guidelines.
 - ii) Failure to use a safety stirrup, or wear riding boots or hard-soled shoes with a heel.
 - iii) Affixing a rider to the tack or horse.
- D. Failure to adhere to the directive of the Horse Show Committee or its members acting on its behalf.
- E. Late reservation for borrowed horse, late entry or late payment fees.
Management has the right to combine, split or cancel classes and reassign borrowed horses as they see fit.

All Riders must bring their own coach and necessary support personnel or make prior arrangement with the Horse Show Committee.

COACH GUIDELINES

- _ If a tack change is necessary, please notify the Gate prior to the "Class Call".
- _ You must inform the show office of any scratches as soon as you know about them.
- _ Know your riders' schedules. You and your rider are responsible for making your class call.
- _ The Show Committee will stop or hold any class at any time if you notify the ring steward that you have a safety concern.
- _ All coaches, riders and volunteers must understand the rules and guidelines on these two pages and understand that the Show operates under the NARHA Program Safety Guidelines. Copies of these Rules will be available from the Show Manager.
- _ Tack must be well-fitted and conform to each horse and rider's needs. Special adaptive tack may be used as needed provided that no rider shall be attached in anyway to the horse or saddle in accordance with NARHA policy, with the exception of materials that will break away readily and involuntarily; such as, Velcro & rubber bands.
- _ All competitors, coaches, anyone riding a horse, must wear an ASTM-SEI approved helmet with affixed chin strap at all times when mounted or a lightweight helmet meeting NARHA standards. No exceptions.
- _ Any rider, who is unable to post, or unable to sit the trot, should be clearly indicated on the entry form; non-verbal, hearing or sight-impaired riders may choose to wear arm bands during their class for safety purposes.

RED = Visual Impairment

PURPLE = Non-sitting Trot/Jog

GREEN = Non-Verbal

BLUE = Hearing Impairment

YELLOW = Non-posting Trot

_ Classes will be split, combined or canceled at the discretion of the Horse Show Committee.
The Obstacle Trail course will be available in print at the LAEC Friday afternoon. The course will be available for walking/wheeling after 3 PM on Friday

VOLUNTEER GUIDELINES

As we watch our riders in the arena - sometimes confident, sometimes struggling - it is often difficult to remember that aides are in the arena for safety only. The integrity of our competition depends on aides not influencing the rider or the horse. We want you to know just how important you are and how delicate your role is to our riders. We want all riders to succeed, and we want to be fair to everyone. Keep in mind the following:

- Judges will penalize riders receiving unnecessary assistance. Wait for the rider to command the horse. This is perhaps the single most difficult thing for us to do.
- No Head Coach or family member may lead or sidewalk a student or relative without first obtaining permission from the Show Manager.
- Volunteers may caution a rider to “watch your spacing” but they are not allowed to give instructions.
- If spacing is a problem, a rider may direct his or her horse to circle or cut across the arena.
- The lead line must have 8 - 10” of slack. Don’t pull the horse ever - unless safety is an issue. Give the rider all the time he or she needs.
- Riders entered in independent classes may have a safety spotter of their choice in the arena with a lead line just in case for safety issues. This spotter has wide discretion to be as close or as far as he/she feels is appropriate under the circumstances.
- If there are 2 or more aides, the volunteer with the lead line has the responsibility to remain with the horse in the event of a problem. The sidewalker(s) assist the rider.
- If the horse you are working with appears to be upset, you may speak to it and try to calm it. If you feel the horse may disrupt the class, ask the rider to come in off the rail to settle down or if the horse is extremely upset you may ask the judge to be “excused.”
- If your rider is closer than 2 horse lengths from another rider, tell your rider to watch his spacing.
- If you are in over your head or you feel there is a possibly dangerous situation, get backup help before an accident happens. If in doubt, err on the side of caution.

RIDER GUIDELINES & RING ETIQUETTE

- All riders must be able to ask their horse to walk forward, halt and turn right and left without help from leader.
- Riders are expected to maintain proper spacing - if you are closer than 2 horse lengths, circle or cut across the arena.
- At all times and at all gaits, the rider is in control of the horse. The volunteers are there for safety only. The judge will penalize riders who rely on volunteers for advice in the arena or whose volunteers guide the horse or “help” too much.
- In the Warm up arena, ride in the same direction as everyone else; if you do meet another horse, pass left shoulder to left shoulder.
- Faster horses ride closer to the rail; slower traffic should be at least 12 feet off the rail. It is the responsibility of the faster rider to tactfully avoid the slower rider.
- Don’t halt on the rail.
- Mount and dismount outside the arena unless necessary.
- If you have to make adjustments; i.e., stirrup length, go to the center of the arena.
- Sighted riders need to give visually impaired riders the right of way. Visually impaired riders may be arm-banded for safety purposes.
- Outside the arena, **WALK ONLY.**

CALNET FUTURES

Futures is set up for those not yet ready for dressage and those who ride horses not trained in dressage. It is designed to test the rider's horsemanship skills as well as introducing the layout of the dressage arena. Harmony between horse and rider, smoothness of transitions and accuracy are all a part of horsemanship. In Futures the rider is judged, not the horse.

DO NOT ENTER A RIDER IN BOTH FUTURES AND DRESSAGE.

Futures Walk Only Pattern:

Polebending Rules & Pattern

1. Polebending is a timed event.
2. Each athlete may begin from a walking or running start at their option.
3. The time begins and ends when the horse's nose crosses the start/finish line.
4. Athletes may begin on either side of the poles and then run the pattern accordingly.
5. Failure to follow the course or breaking to a faster gait shall result in the following penalties:
 - First error - 5 second penalty.
 - Second error - 10 second penalty.
 - Third error - 15 second penalty.
6. A 5 second penalty will be assessed for knocking over a pole. Touching a pole is not penalized.
7. The judge, at his/her discretion may disqualify an athlete for excessive use of crop or whip.

Patterns:

Six upright poles shall be placed in a straight line 21 feet apart and 21 feet from the start/finish line.

UPHA Exceptional Challenge Cup Class Specifications

The UPHA Challenge Cup was established in 1972 to encourage competition for saddle seat equitation riders throughout the nation. The National Challenge Cup Championship has been held at the American Royal Horse Show in Kansas City, MO since its inception and a Junior Challenge Cup Championship was added in 1979. Since that time more Challenge Cup Competitions have been added including the Exceptional Challenge Cup. CALNET is offering this class as a qualifier for the Exceptional Challenge Cup class to be held by the UPHA later this year at a location to be announced.

1. Open to all English equitation riders 12 years of age and over, with a mental or physical handicap, riding a mare or gelding of any breed.
2. English equipment shall be used (i.e.; hunt seat, dressage or saddle seat). Any form of adaptive equipment necessary for the exhibitor to compete is acceptable as long as they conform with U.S. National rules for competitors with disabilities.
3. It is mandatory that a class having more than twelve (12) entries be divided. If a division is necessary, the recommended split is to divide the entries into separate classes by every other number.
4. To be judged on the rail and in a mandatory individual workout at a walk and trot only. Correct diagonals shall be taken into consideration on the rail, but not in the individual serpentine workout.
5. Judging in all UPHA Exceptional Challenge Cup qualifying classes is based 50% on the rail and 50% on the individual workout.
6. The mandatory workout in all qualifying competitions is: "Trot a serpentine to the opposite end of the ring. Return down either rail at a show/extended trot." Judges are not permitted to alter the mandatory workout in any manner. (For the sake of definition, a serpentine is: "a series of half-circles performed along an imaginary straight line."; a show trot is: "the degree of speed, collection and animation that your horse performs to look it's best."; an extended trot is: "a bold, energetic, balanced and ground covering trot with a definite lengthening of stride resulting in an increase of speed without a sense of racing or straining.")
7. In all qualifying classes, the top four (4) riders MUST be asked to perform the prescribed mandatory individual workout; more may be worked at the judges' discretion.
8. UPHA Exceptional Challenge Cup judging specifications are to be read by the announcer as the riders enter the ring. After the riders have been judged in both directions on the rail they will line up on one side of the ring. At that time the announcer shall read and repeat, twice, the mandatory individual workout.
9. Trophy and eight (8) places shall be awarded with participation ribbons going to the remaining entries in the class. The top six (6) places shall qualify for the National Championship to begin in 2001 at a show designated at a later time.
10. One (1) handler per entry shall be permitted in the ring to facilitate the safety of his/her rider. Handlers shall stand quietly as a group in a designated area of the ring unless their assistance is required and requested by the judge or ring master and in accordance with the U.S. national rules for competitors with disabilities.
11. The UPHA Exceptional Challenge Cup class shall be conducted under the express ruling of the current national governing body in conjunction with the United Professional Horsemen's Association, Inc. (UPHA).

- CALNET Show Volunteer
- CALNET Show Staff

I, the undersigned parent and/or legal guardian/conservator of the participant named, or participant if 18 years of age or older (hereafter referred to as the "Participant"), hereby request permission for the Participant to participate in the Annual State Championships for Riders with Disabilities (hereafter referred to as the "CALNET Show").

I understand that there are risks and hazards inherent in handling and riding horses and in participating in the CALNET Show and that the behavior of horses cannot always be predicted or controlled and that participating in the CALNET Show carries with it the risk of serious injury or death to me or my horse. To help minimize the risks associated with my participation in the CALNET Show, I agree to wear a helmet at all times while mounted and to otherwise fully comply with instructions from the Show Committee and the US National Show rules and guidelines, which are incorporated herein by this reference. I represent and warrant to you that the Participant is physically and mentally able to participate in the CALNET Show. I further represent and warrant that, if I am a competing athlete, I have obtained a signed, written medical certificate from a licensed physician certifying there is no medical or physical reason why the Participant cannot participate in mounted equestrian activities such as the CALNET Show and that such certificate has been filed with the riding program named above.

LIABILITY RELEASE:

On behalf of the Participant and myself, I acknowledge that the Participant will voluntarily be using the facilities and participating in the CALNET Show at his/her own risk and assumes all risks associated with such participation. In consideration of the Participant being permitted to participate in the CALNET Show, I, on my own behalf, and on behalf of the Participant, his/her heirs, beneficiaries, administrators, executors, and assigns, do hereby, without reservations, waive, release, acquit and forever discharge the said CALNET Show, all participating Operating Centers, CALNET, the California Network for Equestrian Therapy, Unlimited, the Los Angeles Equestrian Center, the Los Angeles Department of Recreation and Parks, all individual volunteers and the owner of any horses leased or loaned to the Participant for the CALNET Show, Ride On LA, their representatives, officers, agents, sponsors and employees from suits, claims, demands or assertions of liability of any nature whatsoever, for personal injuries, property damage, injury to the incorporeal interests, or other like damages occasioned by, arising from, or otherwise connected with the Participant's participation in said program; and do hereby covenant that no action at law or suit shall ever be brought against the aforementioned representatives, officers, agents, sponsors or employees on account of any matter above set forth.

MEDIA RELEASE:

I understand that the Participant's photograph, voice, or likeness may be used by CALNET, or its licensees. I am specifically granting permission to use the likeness, voice, and words of the Participant in television, radio, films, newspapers, magazines and other media; and in communicating the purposes and activities of this show and in appealing for funds in support of such activities as this group may engage in, without compensations of any kind to the Participant. I also release and authorize the Participant's school, group home, or other organization to release the Participant's name, address, and phone number to this group so that Participant can be kept informed of future activities.

MEDICAL TREATMENT:

In the event of any injury or medical condition experienced by the Participant at the CALNET Show, I am authorizing you to take such measures and arrange for such medical and hospital treatment as you may deem advisable for the health and well-being of the participant. I further agree to pay for such services and to save the CALNET Show, all participating Operating Centers, CALNET, LAEC, their representatives, officers, agents and employees harmless.

AUTOMATIC RENEWAL:

In consideration of the logistical challenges and time constraints involved in renewing releases each year for Participants and Riding Programs alike, this release shall remain in effect, year after year, until specifically revoked in writing and delivered to CALNET. By signing these Releases Participant agrees that CALNET, all Riding Programs involved in the CALNET Show and all entities named in this and future releases, shall be released from liability as if the release had been executed in the year the show takes place.

***I have read the foregoing releases and the attached Show Rules
and agree to be bound by them.***
